LOWE

2005 Tinja Shiraz, Merlot, Cabernet

Vineyard

Lowe Family wine Co and West court vineyard , Mudgee

Vintage

A much needed wet spring was followed by a long dry growing season- almost perfect- all picking was by hand

Vinification .

Hand picked fruit, fermented in a mixture of open fermenters and potters. The ferment was managed by hand plunging and pumping over to include as much air as possible and to manage tannin extraction. Maturation was in large oak; 4500 lt American oak casks.

Analysis

Alcohol 14.1% ph 3.63, TA 5.8 gm/lt, residual sugar 0.7 g/mlt

Tasting notes; a blend of 55% Shiraz, 38% merlot and 7% cabernet.

A classic dry red blend with iodine and plum shiraz and merlot fruit framed in typically fine cabernet tannins. Oak subtle and well integrated.

Food match . a reliable dry red- versatile with grilled meats, winter stews and terrines.
