LOWE

2006 Tinja Chardonnay

Vineyard

Organically grown, the last crop off the old chardonnay vineyard here at Lowe family.

Vintage

A wet spring followed by a dry growing season resulted in almost perfect conditions

Vinification

Whole bunch pressing for delicacy followed by a cool fermentation in tank with the last 20% of fermentation time taking place in new and second use French oak. The wine then spent a further 3 months in oak before bottling

Analysis

Alcohol 13 % vol, ph 3.32, 4.8 gm/lt TA, residual sugar 0.2 gm/lt

Tasting notes. a rich warm climate chardonnay with very well integrated oak. Melons, apples and some oak derived nutmeg on the nose

Food match – a great all rounder ; reliably delicious for chicken, pork seafood and just for unwinding at the end of the day.
