## 2008 Tinja Riesling

### Growing region

Mudgee, NSW 1000 metres

### Vintage

This high altitude vineyard at Nullo mountain is very consistent in producing one of the most exciting rieslings we have handled.

### Vintage

Cool growing season, rain and disease threats but we hand selected fruit aggressively.

### Vinification

Very precise pressing with free run juice cold settled and then cool fermented with an aromatic riesling yeast

**Analysis**-alc 11.5%, ph 3.06, TA 9.7gm/lt

**Tasting notes**- lime blossom, green apple and talcum overlaying an intense and lively palate with beautifully balanced natural acidity. The perfect drink for this summer days or cellar for 5-10 years.

4.5 stars wine state tasting equal top in class
