LOWE

## 2008 Tinja Sauvignon Blanc

**Growing region** Orange NSW, 850 metres.

### Vintage

A wet spring was followed by a cool and intermittently wet growing season- picking was done twice with an interval of approx 7 days to maximise flavour and maintain freshness.

### Vinification .

Hand picked fruit, delicate pressing with mostly free run juice fermented cold in stainless steel at approx 12 degrees. Some fine lees contact post ferment.

### Analysis

Alcohol 13.5% , ph 3.31, TA 7.9 gm/lt,

### Tasting notes

Definitively varietal; upfront aromatics of nettle, lantana and blackcurrant are backed by an even mid palate and lively finishing acidity

### Food match

Fabulous with oily fish; oysters, fresh tuna, mackerel, sardines, Thai dishes

4.5 stars wine state tasting
