Climate Change red

Growing region

Lowe family wine company certified organic vineyards Mudgee ; 550 metres

Vintage- a non vintage wine

2007 ; the one in 100 year drought

2008; A wet spring was followed by a cool and intermittently wet growing season-

Vinification. made organically using open fermenters, hand plunging, a prolonged post ferment skin contact then maturation in large oak casks. A gentle egg white fining is the only handling before bottling.

Analysis Alcohol 13.0% , ph 3.58, TA 6.5 gm/lt,

Tasting notes

The solid and chunky tannins and dark plum fruits of drought grown merlot are lifted and lengthened by blending with an aromatic and elegant shiraz. White pepper, blood plums and anise overlay a well textured palate and lengthy balanced finish. Quite a fortuitous blend; the sum being better than the parts. A delicious and versatile mid weight wine; lamb cutlets, veal, Italian sausage.
